Dear Mr. Duenas:

Enclosed is a Comprehensive Workplan for the remedial investigation of Insular Territory hazardous waste sites developed by Black and Veatch Consulting Engineers. This workplan is based on the draft Statement of Work you reviewed in July. Comments and suggestions that were possible to accommodate are incorporated in this workplan.

Please review the workplan and send me your comments as soon as possible. To expedite this, you may phone your comments in and followup with a letter.

Sincerely yours,
